Dear Abid
As salamu alaykum

I would like to take this opportunity to thank you and all members of your staff for the humungous support given by the college under your leadership for the hosting of the First Convention of Petarians 2004. On behalf of the organizing committees and all the delegates, I would like to extend our utmost appreciation and thanks for your untiring efforts for making this convention a great success.

Please convey our gratitude to all members of your staff, employees and cadets who participated in this event and worked towards making this the most memorable event in recent history of Petaro.

I would also like to advise you that there has been an outpouring of messages of congratulations and gratitude on the Petarians Forum on the Internet as well. This event has created immense goodwill for Petaro and we hope that we will be able to take this forward to reap greater benefits for the college insha Allah.

I would also like to request you to kindly convey our utmost gratitude to the COMKAR for his all out support and for honouring us by his presence on Saturday over lunch.

Lastly, I would like to mention that the Petarian Foundation will be working closely with the college management and the Board of Governors to channel the funds collected during the convention for improving the quality of teachers at the college. We shall insha Allah meet you and the Chairman of the Board to discuss options to utilize this fund in the best possible manner.

Let me thank you again personally for the great job you are doing for the college. We Petarians are indeed indebted to you and to your dedicated staff members.

With Kind Regards,

Kazi Zulkader Siddiqui
